

On-Site Learning Opportunities and Support Services

Pursuant to [Executive Order 2020-51](#), the Academy of Tucson will offer online support services beginning August 17, 2020. We will start offering free on-site learning opportunities and support services for students “who are at-risk, in special education programs or who are the students of [essential workers](#)” and need a place to go during the school day.

Please note that a teacher **will not** lead the free on-site learning opportunities and support services classroom instruction. However, free on-site learning opportunities and support services will include in-person support services such as student supervision and strategic support for students in need during standard school hours.

If you believe your child fits one of these categories, please contact your school Principal to discuss whether your child qualifies for this service.
